The Showjumping event was one of the most popular at the Oxley Equestrian Day.

If any part of an obstacle is knocked down or if the horse refuses a jump, penalties are accumulated.

OXLEY EQUESTRIAN

Oxley College hosted junior riders for an equestrian competition on Sunday, April 30. The event was held at Bong Bong Racecourse and was open to all school-age riders in Years 7 to 12.

High school students from across Australia were invited to compete in the equestrian event.

The objective of showjumping is to test the horse and rider's skill, accuracy and training.

A large number of competitors gathered at the race course for the event on April 29.

Students had the choice of competing in Showjumping, dressage sporting and show horse events.

The equestrian events were held at Bong Bong Picnic Race Course in Bowral.

In modern Jumping competitions, horse and rider are required to complete a course of 10 to 13 jumps.

The showjumping aim is always to jump the course in the designed sequence with no mistakes – a clear round

A presentation ceremony was held for all riders at the closure of the event.
