

Oxley College
Traffic Drop Off/Pick Up Arrangements
K - 12

We appreciate your assistance in ensuring the safety of all our students as they travel to and from school.

We encourage all our students to travel to school by bus when possible. K – 6 students will be met from the bus by a teacher and walked across the school grounds to K- 6. Similarly in the afternoon a teacher will accompany K – 6 children to the bus bays and supervise them until they are on the bus.

Parents who wish to drop off/pick up their children by car should follow the procedure below:

1. Enter via the first gate off Railway Road and proceed to the turning circle.
2. Parents should not exit their vehicle while in the queue nor when they reach the pick up/drop off point.
3. Students should only exit the vehicle at the designated drop off/pick up point where there will be supervision.

Parents who need to enter the school grounds during the setting down or pick up times (to see a teacher or to deliver younger students to K- 6) are to park within the visitor parking areas located next to the PCC (PE Centre). Parents parking within these spaces are not to exceed a length of stay of 10 minutes to ensure adequate turnover of these spaces. Parents must accompany their child/children if they park in the visitor parking area. This is not a drop off/pick up area.

Parents who wish to stay longer for specific purposes should park along the driveway.

Please note: Parking or drop off is not available via the second entrance to the College. This parking area is reserved for staff. Oxley College's Osborne Road boundary is not a drop off/pick up area.

On the first day of school we will have the top oval open for parking.
