

Traffic Drop Off/Pick Up Arrangements K - 12

We appreciate your assistance in ensuring the safety of all our students as they travel to and from school.

We encourage all our students to travel to school by bus when possible. Teachers from 7-12 and K-6 will supervise students at the Bus Bays each afternoon and accompany K – 6 students to the bus bays to ensure safe and timely arrival.

For parents who wish to drop off/pick up their children by car we request your attention to the procedures outlined below to ensure that as a community we assume a shared responsibility in keeping all members safe when on Oxley grounds:

- Access to parking and the turning circle for drop off and pick up is via the first gate off Railway Road only. Please note that parking or drop off is not available via the second entrance to the College. This parking area is reserved for deliveries and staff. Oxley College's Osborne Road boundary is not a drop off/pick up area.
- Please adhere to the 10k/h speed limit and be vigilant in watching for all pedestrians on the campus.

When parking:

- Please park in accordance with traffic signs. Parents who need to enter the school grounds during the drop off or pick up times (to see a teacher or to accompany younger students to K-6) are to park within designated parking spots in the visitor parking areas located next to K – 6 or the Peter Craig Centre (PCC). Parents must accompany their child/children if they park in either of these areas which are not intended as drop off/pick up areas.

When using the turning circle:

- Please remain orderly in the queue without overtaking, or cutting through the middle of the circle.
- Parents should not exit their vehicle while in the queue nor when they reach the pick up/drop off point.
- Students should only exit or enter the vehicle at the designated drop off/pick up point where there will be supervision and designated space to allow traffic to flow in other areas.
- Please avoid queuing across the access to the K-6 carpark.
