Supervisor: Mrs Nicky Moran  
Direct Phone: 02 4862 7724

Phone: 02 4861 1366  
email: [nicky.moran@oxley.nsw.edu.au](mailto:nicky.moran@oxley.nsw.edu.au)

The Oxley Shop is located on the second Oxley driveway in the second demountable on the right.

## GENERAL INFORMATION

### STANDARD OF DRESS

The College views the wearing of the correct school uniform as one of the disciplines which contribute significantly to the development of the right kind of pride in one's school and the right codes of conduct in one's person.

It is most important that the dress requirements for the various school activities are carefully observed and that items of uniform are maintained in good condition and replaced when necessary.

Full uniform guidelines are published in the Junior and Senior School Information Books and student diaries.

### PAYMENT METHODS

EFT facilities are available at the Shop. Payments may also be made by cash or a cheque made payable to Oxley College Limited. You may also call the Shop and pay for purchases over the phone. Goods may be picked up at an arranged time or taken to the student during Tutor Group.

Items cannot leave the Shop without prior payment and items (except calculators) cannot be charged to the school fee account.

### CLOTHING POOL

Items of clothing can be brought in to be sold at the Clothing Pool. Once an item is brought in, its condition is assessed and a sale price is determined. Items are expected to be in good condition.

The Clothing Pool will buy the item at 50% the value of the determined sale price. Cheques will be sent out at the end of each term if possible or credited to current school accounts.

The condition of the garments is therefore important. All garments must be of current School Uniform, dry cleaned or washed and ironed, on hangers wherever possible and in good repair—no fallen hems, rips, broken zippers, missing buttons, and not excessively faded, frayed or stained.

If these requirements are not met, then the garment may not be accepted.

### LOST PROPERTY

Lost Property which has been labelled is returned to the student via Student Services, Class Teachers & Tutors.

Unlabelled items of clothing are placed in the Lost Property area in the School Shop.

Any Lost Property not claimed after one term will be disposed of or placed in the Clothing Pool for sale.
