

## **Sport/Training Expectations**

The Sports Programme offered at Oxley is broad and exciting, and encourages each student to develop a full range of personal, interpersonal and team skills. The programmes challenge each student to respect themselves and to respect others.

It is an expectation that every student in years 7 - 12 participates actively in the College co-curricular programme and this includes committing to at least one ISA team sport, either Summer and/or Winter, per year. Students are permitted to play two seasons.

We would appreciate that all students understand the commitment they are making to the entire Sports Programme at Oxley College.

### **This commitment includes:**

- Attendance at all training sessions except if injured or sick.
- Attendance at all games, both home and away for the entire season.
- Upholding the ISA Code of Conduct.

### **Reasons for absence from Training/Saturday Sport: (*correspondence must be made by parents*)**

1. Sickness: Email or phone call after training or prior to Saturday Game/Bus departure.
2. Misadventure: There is an acceptable reason for not attending. Email or phone call before training or prior to Saturday Game/Bus departure.
3. Approved Leave: In writing to the Sports Administrator one week prior to the game.

It is an expectation that prior to a game/training, coaches are made aware of any students who will not be playing or training.
