

## COVID-19 Junior School Student Protocols – Phase 2

*We have a shared responsibility to try to protect the health of all members of our community. Please do your best to observe these protocols. learning@home continues for Years K-6, whether on campus or at home.*

*Hygiene*

*Physical Distancing*

*Stay home if unwell*

Dear Junior School students,

This term, we are taking some extra precautions at school to keep you and your families safe.

We are proud of the way you are already regularly washing your hands and listening to your teachers to practice physical distancing.

Please take some time to discuss with your parents some of the things that might be a little bit different now that we are all working towards being back on campus.

With best wishes,  
Katherine Halcrow

### ***Always remember to...***

- Wash your hands* with soap regularly and whenever you use the bathroom.
- Use hand sanitiser* before entering any room – it will be available at the door.
- Avoid sharing equipment or food.* Year 5-6 students please bring your own equipment for class.
- Try to maintain distance with classmates and friends* - imagine an ‘imaginary friend’ between you.
- Stay at home if you have cold or flu-type symptoms.* Remain at home until you are symptom-free.
- If you feel unwell with flu symptoms at school– parents will be asked to collect you.*

### ***Before School/ Recess and Lunch***

- Do not enter classrooms without permission.
- When sitting outside, try to observe physical distancing.
- The Library is available for book collection only and is closed before/after school and recess/lunch.

### **learning@home: AT SCHOOL**

- All students will continue to follow the learning@home model when at school with their teacher.
- The order of tasks will be directed by the teacher and completed by the class together.
- Students who are on campus on a day *not* scheduled for their Year Group will continue to be supervised.

### **learning@home: AT HOME**

- All students in the Junior School will continue to follow the learning@home model, including Zoom meetings, Canvas instruction and teacher-provided video.
  - Student queries: email your teacher or ask during a scheduled Zoom class.
-

## COVID-19 Junior School Student Protocols – Phase 2

*We have a shared responsibility to try to protect the health of all members of our community. Please do your best to observe these protocols. learning@home continues for Years K-6, whether on campus or at home.*
