## GENERAL INFORMATION

### STANDARD OF DRESS

The College views the wearing of the correct school uniform as one of the disciplines which contribute significantly to the development of the right kind of pride in one's school and the right codes of conduct in one's person.

It is most important that the dress requirements for the various school activities are observed carefully and that items of uniform are maintained in good condition and replaced when necessary.

Full uniform guidelines are published in the Junior and Senior School Information Books and student diaries.

### PAYMENT METHODS

EFT facilities are available at the Shop. Payments may also be made by cash or a cheque made payable to Oxley College Limited. You may also call the Shop and pay for purchases over the phone. Goods may be picked up at an arranged time or taken to the student during Mentor Group.

Items cannot leave the Shop without prior payment and items (except calculators) cannot be charged to the school fee account.

### OXLEY COLLEGE – BUY & SELL

Used items of the Oxley College uniform and texts can be bought and sold through our Facebook page: Oxley College buy and sell: <https://www.facebook.com/OxleyCollegebuyandsell>

### LOST PROPERTY

Lost Property that is labelled is returned to the student via Student Services, Class Teachers & Mentors. Unlabelled items of clothing are placed in the Lost Property area in the School Shop.

Any Lost Property not claimed after one term will be disposed of or placed in the Clothing Pool for sale.
