

Oxley College Whole School Survey Summary April 2022

In 2021, Oxley College announced that there would be a whole school survey early in 2022. This follows on from previous surveys of the Oxley community.

Below are our overall results from the AIS Perspectives Survey with all categories combined. The College received 200 pages of valuable data that can be broken into any element of the school eg. students in Year 9 or parents in Kindergarten. Feedback is always important, and these results will provide vital information for the development of the next Strategic Plan. There will be another full school survey at the end of 2023.
