

Traffic Drop Off/Pick Up Arrangements K-12 in 2023

We appreciate your assistance in ensuring the safety of all our students as they travel to and from school. We encourage all our students to travel to school by bus when possible.

Please use the Berrima Buslines Student Travel Planner at <https://www.buslinesgroup.com.au/berrima/school-services> to find the most suitable bus for your child. Teachers from the Senior and Junior School will supervise students at the bus bays each afternoon and accompany Junior School students to the bus bays to ensure safe and timely arrival.

Drop Off /Pick Up

For parents who wish to drop off/pick up their children by car, please only use one of the two designated areas for drop off/pick up:

- a. the turning circle, accessed via the main driveway (adjacent to the Junior School).
- b. behind Hoskins Hall, accessed via the second driveway.

In order to ensure the safety of all members of our community and to assist in traffic management, please:

- observe the 10k/h speed limit on site and the 40k/h speed limit in the school zone on Railway Road during drop off/pick up times.
- remain in an orderly queue without overtaking or cutting through the turning circle/staff car park.
- do not arrive in the Senior School Pick Up Zone (second driveway) before 3.15pm.
- do not exit your vehicle while in the queue or when you reach the drop off/pick up area.
- students should only exit/enter the vehicle at the designated area, where there is staff supervision.
- avoid queuing across the bus bay on Railway Road or the access to the Junior School car park.
- do not drop off or pick up your child on Railway Road, Osborne Road or Sullivan Road.
- consider delaying picking up in the Senior School to 3.40pm, by which time the traffic is significantly reduced.

Parking

Please park in accordance with traffic signs. Parents who need to enter the school grounds during the drop off or pick up times (to see a teacher or to accompany younger students to Junior School) are to park only within designated parking spots in the visitor parking area located in the main College driveway. Parents must accompany their child/ren if they park in this area, which is not intended as drop off/pick up area. Please note that parking is not available for parents or students in the second driveway.
