Leave from school

The NSW Education Act 1990 requires all students enrolled at the College to attend school each day during term time when they are able to do so. Academic time is extremely important and the College is always reluctant to support requests for leave during term time. It is College policy that leave is not approved for long weekends during term, or vacations that abut the beginning/end of term. Please also note that Senior School students are expected to meet their ISA Saturday sport commitments during term time. Whilst we understand that exceptional and unplanned family circumstances may arise, leave is granted only in unusual circumstances. For more information about applications for leave, please see the Extended Leave Forms under "Parent Documents" on the College website.
