Summer Program	Cricket, Touch Football, Softball & Basketball

Oxley College is an established independent, co-educational, non-denominational pre-K to Year 12 school in the beautiful Southern Highlands of NSW with 850 students.

### Position Summary

Oxley is seeking applications for coaches for our summer sport program for a range of teams across K-12. Coaches should be capable, enthusiastic, and supportive of the College's values of kindness, courage and wisdom. In addition, qualified umpires are also sought to officiate home games.

Our dedicated staff work in partnership with parents and carers to create an environment that nurtures each student's academic, emotional, and social development. The aim of our sport program is to support, develop and improve physical skills, decision-making and positive sporting behaviours that are consistent with our values. These experiences should enable our students to successfully compete within school-based competitions and beyond.

These positions are paid at competitive rates in line with qualifications, experience, and the demands of each role. New coaches and volunteers are encouraged to apply.

Training is held on select days after school between 3.30pm and 5.00pm with some fixtures played mid-week and most games on Saturdays.

Expression of Interest applications are now open. Should you wish to apply or discuss the coaching and umpiring opportunities in more detail, please contact Oxley College Sport Department on (02) 4861 1366 or email [sport.admin@oxley.nsw.edu.au](mailto:sport.admin@oxley.nsw.edu.au)
